LWA CAMP PHILOSOPHY

The Lowcountry Wrestling Academy wrestling staff is dedicated to assisting youth wrestlers in their quest to improve their wrestling knowledge and skill. The camps will focus on the fundamentals of wrestling from all positions with a primary focus on technique, mat strategy, mental awareness, work ethic, and life skills. Question and answer opportunities with counselors will be available for campers in order to assist in their development. We will have an excellent camper-to-staff ratio to help provide the individual attention needed to improve wrestling skills. Choose from our technique focus camps which include: Pin to Win Camp; Attack Mode Camp and Takedown Camp; or choose the five day Purler Camp. All camps will also feature the LWA coaching staff who led our club team to its 3rd state championship in a row, during the 2013-14 season.
