# **CAMP PHILOSOPHY**

The Newberry College wrestling staff is dedicated to assisting youth wrestlers in their quest to improve their wrestling knowledge and skill. The camp will focus on the fundamentals of wrestling from all positions with a primary focus on technique, mat strategy, mental awareness, healthy weight management, work ethic and life skills. Question and answer opportunities with counselors will be available for campers in order to assist in their development. Our camper-to-staff ration was 7:1 last year, which helped provide the individual attention needed to improve wrestling skills.

Choose from our Competition Camp or Technique Camp. For future collegiate wrestlers, we offer an Intensive Camp.
