

South Carolina  
State Wrestling Tournament  
A-A Division

February 13, 1993

WELCOME TO SWANSEA HIGH SCHOOL

HOME OF THE FIGHTING TIGERS!

*We are pleased to host the South Carolina A - AA Division State Wrestling Tournament here at Swansea High School. Our school has a strong tradition of wrestling excellence, which we continue to build upon. We are proud to be a participant in this tournament, providing an opportunity for schools to bring their best athletes to the mat for the State title. As you prepare yourselves both physically and mentally for today's match, I hope that you pause to remember that we are here for the benefit of the individual contributors, the teams, the schools and the sport of wrestling. I wish each of you success in today's tournament and hope that you enjoy your visit to our school.*
