

JOURNEYMEN WRESTLING CAMPS

Featuring

PAT POPOLIZIO'S WOLFPACK WRESTLING CAMPS

July 5-9, 2016

NC State University, Raleigh, NC

Pursuit of excellence on and off the mat!

My staff and I are dedicated to promoting excellence in character and performance on the mat, while stressing the importance of learning life skills off the mat. These camps will give wrestlers and coaches an opportunity to gain valuable insight on what it takes to be successful at the highest levels of wrestling in high school and college from clinicians who have lived it! The clinicians were chosen for this camp specifically for two reasons: character, and their ability to teach technique successfully to wrestlers at all levels of wrestling. We believe that every link in a chain is important, so every individual is viewed as a valuable member of our camp. Come to find out for yourself!

— Pat Popolizio

General Information

After we receive your deposit, each camper will be sent a confirmation e-mail that will tell you the exact location for registration. **Please be sure to include an e-mail address.** This will be our main source of communication. The camps will definitely fill up early, so please get your applications in ASAP. We look forward to working with you this summer.

What to Bring

Bring your own bedding, a pillow, sheets, and towels. Two people will be assigned to each room at check in. Each camper will be expected to supply his own workout gear, shoes, shirts, shorts, singlets, etc. You may need to change work-out clothes 3-4 times a day, so 10-12 sets is not unreasonable (laundry facilities are available). A set of work-out clothes includes a t-shirt, socks, shorts, undergarment, knee pads, etc. Intensive campers will also need to bring running shoes and a jump rope.

- T-Shirts: Mark your name in large print on the back of most of your workout t-shirts, this will help coaches identify you
- Wrestling shoes
- Head gear
- Mouth guards

Bring a supply of Defense Soap to prevent skin infections. This is critically important!

Defense soaps are triple milled and have a TFM (fatty acids) of 77% for a deep rich cleansing lather. Defense Soap contains no fillers, perfume, alcohol, scents, Triclosan or any other chemicals that can impact the quality. They contain a full 2% concentration of tea tree and eucalyptus oils; natural antimicrobial ingredients known to be effective against ringworm, staph, impetigo, herpes, jock itch and athlete's foot.

NC State Wolfpack Intensive Camp

If you're looking for intensity, then search no further. This intensive camp is for the ultimate competitor. This camp will teach you the three most critical aspects of wrestling: technique, conditioning and strength (mental and physical). Through repetitive drilling and coach's direction you will develop your body and mind to become an explosive performer on the mat. This intensive camp will focus on match preparation including focus, relaxation, warm up and weight control. You will be pushed beyond your comfort zone and take your performance to a whole new level. Led by national, world and Olympic champions, this camp will give you a mental edge to dominate your opponents.
